## Professional Summary

---

I am a highly motivated Frontend Developer with a strong foundation in HTML, CSS, JavaScript and Frameworks like React and Tailwind CSS and with proven ability to develop responsive and user-friendly web applications. I'm a quick learner with a passion for staying up-to-date with the latest web technologies and trends

I am a highly organised, dedicated, energetic and ambitious individual who always strives to achieve the highest standard possible at any given task. I am skilled at offering keen attention to detail and also possess strong decision making skills to manage multiple and concurrent tasks. I have the ability to perform effectively in independent or team environments.

I am eager to learn and I have a proven ability to adapt quickly to any given environment.

## Work Experience

---
